

AMERICA'S TRAILER COMPANY

"We are FIRST because we LAST"

Cozad Trailer Sales, LLC, is pleased to announce the acquisition of "Reliance® Trailer Co.," and "Reliance® Trailer Sales, LLC," out of Spokane, Washington. Operations will be centrally located at Cozad's manufacturing facility in Stockton, California.

This purchase will provide complete Northwest coverage of trailer parts, sales, and service. Reliance's® excellent products match up favorably with Cozad's operation.

Starting today, customers will be able to contact the Cozad® parts department for "Reliance®", "Sturdy Weld®", "Alloy®" and "Comet®" parts and service. Manufacturing of new units has already begun.

Cozad® is a leader in manufacturing the strongest, lightest, & most maneuverable lowbed trailers in the world today. Since 1955, Cozad® has been manufacturing trailers for the United States Military, Aerospace, Construction, & Transportation industries in the US & abroad. Cozad® is well-known in the heavy haul, lowbed industry. We now look forward to extending our superior customer service to all former and future customers of "Reliance® Trailers."

Reliance customers now have ONE place, to purchase all of their heavy-haul and construction trailer equipment.
